

**REMARKS**

In the Office Action of July 8, 2003, the examiner stated that the CD-ROMs submitted by the applicants for the Computer Program Listing are not acceptable. Responsive to the Office action, applicants submit herewith a Petition to accept CD-ROM in image form.

In the office action the examiner rejected claims 1-5, 9-12, and 16-19 under judicially created doctrine of obvious-type double patenting over claims 1-13 of U.S. Patent No. 6,078,159. Examiner objected to claims 6-8, 13-15 and 20-22 as dependent upon a rejected base claim, but stated that they will be allowed if rewritten in independent form. Examiner also stated that claims 23-28 were allowable.

Applicants appreciate the time and consideration provided by the examiner in the above-identified application. Responsive to the Office Action of 7/8/2003, Applicants file a Terminal Disclaimer in order to overcome the double patenting rejection, and respectfully submit that the pending claims 1-28 are now allowable and the application is now in condition for allowance.

The Examiner is encouraged to call the undersigned at (312) 577-7000 with any questions in connection with this response.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application under 37 C.F.R. §§1.16-1.17 during its entire pendency, or credit any overpayment, to Deposit Account No. 06-1135. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1135.

Respectfully submitted,

Kenneth H. Samples  
Reg. No. 25,747
